COMPANY OVERVIEW

Atlas Government Logistics is a HUBZone-certified, veteran-owned small business providing end-to-end logistics, transportation, warehousing, and relocation solutions for federal, defense, and state agencies. Our operations are built around precision, compliance, and accountability, ensuring every mission aligns with FAR, DFARS, DOT, and DOD regulations. From household goods and equipment transport to base relocations and secure storage, Atlas Government Logistics delivers dependable performance backed by 24/7 nationwide dispatch and military-grade operational standards.

CORE CAPABILITIES

Military & Federal Relocation

Secure relocation services for military and government personnel, executed with confidentiality, efficiency, and compliance with DOD and federal relocation policies.

Freight & Transportation Management

Comprehensive freight solutions across CONUS and OCONUS regions. We coordinate air, sea, and ground shipments, ensuring timely, documented, and tracked delivery of critical assets and materials.

Warehousing & Storage Solutions

GSA-compliant, climate-controlled facilities providing secure short- and long-term storage for government equipment, assets, and sensitive materials.

Fleet Operations & Dispatch

Real-time logistics management and 24/7 dispatch coordination for government and defense transportation programs across the United States and overseas.

Laundry Services – Wash, Fold, Pickup & Delivery

Full-service laundry and logistics operations for government and military facilities, including scheduled pickup, professional wash and fold, and secure on-base delivery.

DIFFERENTIATORS

- HUBZone Certified – Supporting federal contracting goals while strengthening underserved communities.
- Veteran-Owned & Operated – Leadership rooted in discipline, service, and mission execution.
- 24/7 Nationwide Dispatch Center – Real-time response and logistical coordination for DOD and federal contracts.
- Proven Record with DOD & Federal Agencies – Trusted provider for government relocation and logistics operations.
- Fully Compliant with FAR, DFARS, and DOT Regulations – Quality-assured processes and continuous performance auditing.
- Specialized in Remote Operations – Expertise in shipments to Alaska, Hawaii, and overseas military installations.
